### Cellulite Buster Program 6 Hours - £200

---

Our programme includes six weekly one hour sessions, where weight and BMI are taken. Diet and exercise advice is given, plus a six week diet diary. You will receive a bottle of Driftaway cellulite oil to use at home. If, required before and after photographs can be taken.

Starting with a body brush to problem areas followed by a sugar body polish, G5 massage is applied with vibrating movements breaking down deep adipose tissue.

This increases the circulation and speeds up the lymphatic system, helping to remove toxins from the body. Specially blended oils are then massaged into the skin.

### Driftaway Signature Facial 90 mins - £60

---

This bespoke ninety minute treatment is carefully tailored to suit your individual needs. Starting with a head, neck and back massage, using individually blended pure essential oils to relieve stress and tension in the lower back & shoulders.

Turning over to a luxury facial, a combination of deep cleanse, exfoliation & scented natural essential oils using lymphatic light rhythmic movements to remove toxins and fluids. Deep tissue massage lifts the facial muscles to plump and restore vitality to the complexion.

While skin preparation takes place enjoy a deeply relaxing hand and arm massage.
